

Monthly Work Samples Cover Sheet
for Erin Becerra
grades 3 & 4

I have included a work sample for:

English Language Arts

Any reading or writing related assignment, such as a writing sample, spelling practice, grammar lesson, or story questions.

Math

Social Studies/History

Science

Visual and Performing Arts (VAPA)

Such as a drawing/artwork or a paragraph reflecting upon instrumental lessons, singing, acting, or dancing.

P.E.

Have your child complete one of the monthly assignments each month as listed on the schools website, along with his/her P.E. Reflection.

On my 6 audit samples, in the upper right hand corner I have labeled:

My *name*.

The *date*.

Please be sure that it is a valid school day within the monthly period, not before or after.

The *subject*. *Language Arts, Math, Social Studies, Science, Fine Arts, or P.E.*

If your sample includes questions taken out of a book, please include the chapter and page #.

I have also made sure that:

My work has been corrected by someone providing me instruction.

There is evidence that a parent or tutor has reviewed the work and provided feedback.

This may be a score, answers marked wrong or right, or a simple happy face.

My work samples are stapled or paper-clipped to this cover sheet.

All my work is submitted by the monthly due date.

Though work is almost always due on a Friday, you may turn the work in on the Tuesday or Thursday *prior* to the official due date. Work can be mailed to the school should you be out of town on the due date, or turned into the front office mail drop if it is after hours. The monthly due dates can be found in your contract, or on the school website.

Please submit the work samples along with **all** of your monthly work.
